Financial Review

DE046 Data File Layout

Department of Education Financial Review Transmission File Layout Information

All data files transmitted for the Financial Review data collection must meet the requirements as given in this file layout.

Reminders:

- * The requirement to transmit sub-object codes for employee benefits has been removed.
- * Benefit account data can be transmitted at the sub-object level or rolled up to the object code level.
- * The correct codes for reporting Fund Equity Balance records are: 0001, 0002, and 0004.
FY should not be reported as part of the identifying code.
- * The DE420 (General Fund QBE Program Expenditure Reports) will be created from the DE046 file transmission.
