MEMORANDUM

TO: System Test Coordinators
System Curriculum Coordinators

FROM: John Wight
Director, Assessment Administration

SUBJECT: Nominations of Educators for Georgia High School Graduation Tests (GHSGT) Standard Setting

The Georgia Department of Education (GaDOE) is seeking recommendations for highly-qualified educators to participate in the upcoming GHSGT Standard Setting event. This meeting is scheduled for Monday – Wednesday, **April 5** (starting at 1:30 p.m.) – **April 7, 2010** (ending at 12:00 p.m.), at a hotel located in the metro Atlanta area. Once the location is selected, participants will be contacted with hotel information. This is a vitally important process to ensure the validity and reliability of Georgia’s graduation tests. We need your best educators.

The sessions will be conducted to determine performance standards on the GHSGT in Social Studies that have transitioned to the Georgia Performance Standards (GPS). To ensure that an adequate representation of educators from around Georgia is selected, System Test Coordinators and/or System Curriculum Coordinators should submit the names of qualified teachers in Social Studies. We are also seeking highly qualified educators in special education and ESOL. Please submit up to 3 nominations per system. Please consider educators from your system who:

- 1) Demonstrate depth of knowledge in their content area;
- 2) Demonstrate instructional expertise;
- 3) Increase student achievement through the use of proven research-based practices;
- 4) Participate in ongoing professional learning including GPS training;
- 5) Provide leadership among their colleagues;
- 6) Represent the ethnic and regional diversity of your system;
- 7) Teach diverse and/or exceptional student populations, including vision and hearing impaired students;
- 8) Receive recognition for their contributions to teaching and learning;
- 9) Bring a fresh perspective to the GHSGT development process.

To ensure a balanced, representative committee, not all nominees will be selected. Those nominees not selected for the meeting will be included in a pool from which the Assessment Administration Division staff will select individuals for participation in other future events

related to the GHSGT. All nominees should be approved by a school administrator and the system testing coordinator before registering for the workshop.

Please submit nominations no later than February 4, 2010. To nominate educators, go to the online registration site METRON, by following the link:
