**CASE NO. 1998-36**

**DECISION**

This is an appeal by T. R. (Student) from a decision by the Effingham County Board of Education (Local Board) to suspend him from school for only the period of time he was out pending a disciplinary tribunal hearing, with the opportunity of making up any work missed during the period and not counting the suspension days against him. The suspension period has passed and there is no relief that the State Board of Education can provide to the Student, thus making all issues raised moot. Because the issues raised are moot, the appeal is hereby DISMISSED.

This \_\_\_ day of September 1998.
