This is an appeal by E. H. (Student) from a decision by the Bartow County Board of Education to uphold the decision of a student disciplinary tribunal to suspend her from regular school until December 31, 2011 after finding her guilty of possessing alcohol on campus. This is a companion case to E. H. v. Bartow County Board of Education, Case No. 2012-11, also decided today. The two students were involved in the same incident. Because the suspension period has passed, the State Board of Education cannot provide the Student with any relief and the issues raised are moot. Accordingly, the appeal is hereby

DISMISSED.

This _____ day of January 2012.
