Sample Performance Task

The students have a basic knowledge of the safety procedures while waiting at school bus stops.

Description:

Each student will express in some manner a picture of students waiting at a school bus stop (i.e. drawings, collages, writings, etc) There will be 2 columns – one with a YES (or smiley face) and the other with a NO (or a frown face).

Step One: Brainstorm with the students, all the things that a student should and should not do while waiting at a school bus stop.

Step Two: Print out the sheet “Georgia School Bus Safety K & 1 Assessment” for each student, or have students create their own sheets.

Step Three: Allow students to fill out/create their sheets for assessment.

Step Four: Allow students to share their creations for the class, or have them share in small groups.

Modifications:

Allow students to share their project with the teacher in private.

Allow students to do their projects with a partner.
