

STATE BOARD OF EDUCATION, STATE OF GEORGIA

DAWSON COUNTY BOARD OF  
EDUCATION

CASE NO. 1975-10

APPEAL

VS.

MRS. ANNIE DEAN SAMPLES

ORDER

This matter came before the State Board of Education on appeal by Mrs. Annie Dean Samples from a decision of the Dawson County Board of Education not to renew Mrs. Samples' teaching contract for the 1975-1976 school year. Written notice was given Mrs. Samples of the Board's intention not to renew the contract and a hearing afforded under the Fair Dismissal Act. (1975 Ga. Laws, pg. 360; Ga. Code Ann., Sec. 32-607.1)

Upon review of the record and transcript of the hearing, the State Board of Education finds that the Dawson County Board of Education sufficiently carried the burden in sustaining the charges against Mrs. Samples as basis of its decision for non-renewal and its decision is affirmed.

This the 11th day of September, 1975. All members of the State Board of Education, except Mrs. Huseman and Mr. Stewart who dissent.
